Friday, December 15, 2017 the staff participated in a cookie exchange as well as a friendly competition for the ugliest sweater!!! Fun had by all and still a productive day.

As Chairman of the Board of Directors, the board members would like to wish our staff and members a prosperous and successful New Year. *David Brewer*

The staff has been busy looking at new products that can be offered to our members. One of the items that will be available for 2018 is Trust Accounts.

Any member is welcome to suggest to the staff what service they might like. This suggestion will be viewed by the staff and board of directors.

Happy New Year to all our members

Listed are some of the activities of the staff of the Remington FCU employees for last year. Their participation is appreciated and look forward to see more activities for 2018. Please join their support for these activities.

Feed our Vets:

For the month of November, Remington FCU wanted to show gratitude and respect to our local Veterans by giving back. We hosted a can drive and donated a holiday dinner to a Veteran. The recipient was chosen from a drawing. Each person that donated a non-perishable item had the opportunity to nominate a Veteran. On Tuesday December 5, Heather Irons along with Tracey Davenport presented Richard Syneck Founder & Executive Director and Melissa Kehler Chief Strategy Officer of Feed our Vets the collected non-perishable items on behalf of all the generous donations made by our members.

Children's Miracle Network:

On Tuesday, December 5, 2017, Heather Irons presented a check in the amount of \$850.52 from the generous donations of Remington FCU's members. This check was presented to Andrea MacDiarmid, CMN Coordinator. It will be combined with the Utica-Rome Credit Union Chapter for the 2017 incentives. All money donated will stay here at our local hospital.

Teddy Bear Collection:

During the month of November, Remington FCU held a Teddy Bear Drive. The teddy bears are given to children to help comfort them during the visit at the hospital. The areas receiving the collected Teddy Bears will be Pediatrics, Operating Rooms, Emergency Department, Ambulatory Surgery, Urgent Care and MVHS Medical Group offices. Heather Irons was able to present Andrea MacDiarmid MVHS representative with all new Teddy Bears thanks to the generous donations of the members.
